FOREIGN STUDENT RECRUITMENT

ABOUT

Are you curious about Korea? Do you want to know more about its beautiful culture, friendly people and the gorgeous travel destination or do you want to share your Korean knowledge with others.

Volunteer with us to create content related to Korea and it's language ^^

“ Our Generation” , “ TOPIK 0 to 6” and “ Korea Insiders “ team are recruiting new members.

TOPIK 0 TO 6

As a team, we are trying to make TOPIK (Korean language proficiency test) learning more easy and in a funnier way. Our aim is to provide important words, quotes and tips that might be very useful for achieving different levels of proficiency. We also aim to provide translation in many languages ^^

Check out our work at Instagram [@topik_0_to_6](#) .

Positions open for Designer , video editor , Korean content creator and translator any language

OUR GENERATION

As a team, we are trying to make Korea seem more approachable for teenagers and to get them more interested about the country. The available platforms are too complicate for those who are still in their school days. That is why we view on creating a project from teens to teens,.

The content created can be related to almost everything Culture, food, clothes , music and study .

Specific Requirement : Candidates within 15-21 can work well in the group.

KOREA INSIDERS

Korea Insiders' was created to bring together international students who are passionate about traveling and creating social media contents. Many students from different cultures come together to travel Korea and share their experiences through social media. Travel plans are also prepared by the students! Through fun trips, all students also exchange ideas on making travel plans.

What are places you want to discover in Korea? You can share with us and we can discover together! Let's search Korean hidden gems
